

Capitalize each word in a sentence

```
import java.util.*;
class main
{
    public static void main(String args[])
    {
        int i,j,flag=0;
        String s;
        Scanner sc=new Scanner(System.in);
        s=sc.nextLine();
        s=s.toUpperCase();
        System.out.println(s);
    }
}
```

The screenshot shows a Windows command prompt window titled "C:\Windows\System32\cmd.exe". The window displays the output of a Java program. The prompt shows the current directory as "C:\Users\jaini\OneDrive\Desktop\Educational\COLLEGE\SE\Java\Uppercase". The user has entered the command "java main", and the program has executed, printing "hello world" and "HELLO WORLD" on separate lines. The prompt is now waiting for the next command.

```
C:\Windows\System32\cmd.exe
